Please join us on Zoom for the **14th Annual Family Law A-Fair**

Epic Tales from the Front Lines of Family Law

Family Lawyers grapple with corporate shenanigans, death during divorce, tax and more tax, bankruptcy in the mix, pensions at your peril, and murder!

Law Students are invited to join in to hear from Family Lawyers sharing trials and tribulations involving the intersection of Family Law and other areas of Law.

DATE: Tuesday, February 8, 2022

TIME: 12:00 pm to 1:30 pm

On ZOOM

For 14 years this CBA and U of A collaboration has provided **Law Students** at the University of Alberta with an opportunity to learn about potential careers in Family Law while networking with members of the Bar. This year again, instead of the usual wine & cheese event at the Law School we are inviting Law Students, NCA Students, recent Law graduates, Articling Students, and Family lawyers to join us on ZOOM for an interactive event using the meeting format with Break-Out rooms to facilitate smaller group networking. We have specifically invited Family lawyers with tales to tell about **Family Law intersecting with other areas of Law**.
